</tbody>
</table>
| 9:00 am – 9:45 am | **Keynote Presentation**  
Social Determinants of Global Population Health and Health Disparities  
David Satcher, MD, PhD  
16th U.S. Surgeon General, Director, Satcher Health Leadership Institute | Potomac Ballroom                                                        |
| 9:45 am – 10:00 am | Break |                                                                           | Potomac Ballroom                                                        |
| 10:00 am – 11:15 am | **Plenary Session I**  
International Viewpoints on Building a Healthier Global Society  
Louis W. Sullivan, MD  
Former HHS Secretary, President Emeritus, Morehouse School of Medicine  
Lia Maria dos Santos  
Technical Consultant, Implementation of the National Policy of Health Integration, Brazilian Ministry of Health  
Herman Jacobs  
Counselor, Social and Economic Development, Embassy of South Africa  
Sofía Leticia Morales Garza, PhD  
Senior Advisor Millennium Development Goals, Pan American Health Organization  
David R. Williams, PhD (Moderator)  
Florence Sprague Norman and Laura Smart Norman, Professor of Public Health, Harvard School of Public Health | Potomac Ballroom                                                        |
| 11:15 am – 12:30 pm | **Plenary Session II**  
Social Determinants of Health: Global Perspectives  
Paula Braveman, MD, MPH  
Director, Center on Social Disparities in Health, University of California, San Francisco  
Gerry Gallagher  
Acting Director General, Social Determinants and Science Integration, Public Health Agency of Canada  
C. James Hospedales, MD, MPH  
Senior Advisor, Prevention and Control of Chronic Diseases, Pan American Health Organization  
Fitzhugh Mullan, MD (Moderator)  
Murdock Head Professor of Medicine and Health Policy, The George Washington University | Potomac Ballroom                                                        |

</table>
| A1-01  | National Harbor 10/11 | Social, Biological and Environmental Disparities in Childhood Developmental Health Outcomes | MODERATOR: Molly Davis, George Mason University  
Frances A. Campbell, University of North Carolina at Chapel Hill  
Does Enhancement of Academic Skills in Childhood Also Enhance Adult Health Status?  
Margaret Ensminger, Johns Hopkins University Bloomberg School of Public Health  
Early Adversity and Behavior: Their Joint Developmental Impact over the Life Course from Age 6 to Mid Adulthood  
James E. Swain, University of Michigan  
Childhood Poverty and Brain Development: The Role of Chronic Stress and Parenting |
| A1-02  | Annapolis Room 1  | Approaches for Identifying and Addressing Environmental Health Disparities and Environmental Justice in Decision Making | MODERATOR: Onyemaechi Nweke, U.S. Environmental Protection Agency & Office of Minority Health, Office of the Assistant Secretary for Health, DHHS  
MODERATOR: Devon Payne-Sturges, U.S. Environmental Protection Agency  
Neal Fann, U.S. Environmental Protection Agency  
Maximizing Health Benefits and Minimizing Inequality and/or Environmental Justice Analysis of PM2.5 Benefits to Vulnerable and Susceptible Populations  
Symma Finn, National Institute of Environmental Health Sciences, NIH  
Environmental Health Disparities and Environmental Justice: What’s the Difference?  
Amy Krings, University of Michigan  
A Case Study of How a Marginalized Community Negotiates a Community Benefits Agreement |
| A1-03  | Annapolis Room 2  | Reducing Health Disparities through Programs at the U.S. Department of Housing and Urban Development | MODERATOR: Matthew Ammon, U.S. Department of Housing and Urban Development  
Ron Ashford, U.S. Department of Housing and Urban Development  
Health Initiatives for Public Housing Residents  
Peter J. Ashley, U.S. Department of Housing and Urban Development  
Healthy Homes Program Highlights: Sustainable Communities Approaches for Healthy Communities  
Sunaree Marshall, U.S. Department of Housing and Urban Development  
Building Sustainable and Healthy Communities  
Elizabeth Rudd, U.S. Department of Housing and Urban Development  
Investigating the Health of HUD-Assisted Residents  
Jon Sperling, U.S. Department of Housing and Urban Development  
Investigating the Health of HUD-Assisted Residents  
Barry Steffen, U.S. Department of Housing and Urban Development  
Investigating the Health of HUD-Assisted Residents |

| A1-05  | Woodrow Wilson C        | Women and Diabetes - Prevention, Policy & Culturally Competent Care to Address Health Disparities | MODERATOR: Janine Clayton, Office of Research on Women's Health, NIH  
Angela Bates, Office of Research on Women's Health, DHHS  
Sanford Garfield, National Institute of Diabetes and Digestive and Kidney Diseases, NIH  
Diabetes Prevention Program: Full Study and Gestational Diabetes Mellitus Outcomes  
Michelle Owens-Gary, U.S. Centers for Disease Control and Prevention  
Culturally Competent Care: Diabetes Education in the Multicultural Community  
Susan F. Wood, The George Washington University  
The Affordable Care Act and Prevention Programs - Implications for Women |
MODERATOR: Salina Waddy, National Institute of Neurological Disorders and Stroke, NIH  
Bernadette Boden-Albala, Mount Sinai School of Medicine  
DiffErces in the Imaging of Primary Hemorrhage based on Ethnicity or Race (DECIPHER)  
Alexander Dromerick, Georgetown University  
Acute Stroke Program of Interventions Addressing Racial and Ethnic Disparities (ASPIRE)  
Chelsea Kidwell, Georgetown University  
Preventing Recurrence of Thromboembolic Events through Coordinated Treatment in the District of Columbia (PROTECT DC) |
| A1-07  | Potomac Room 3          | Elder Abuse in Diverse Communities: Scope, Culture, and Policy Implications | MODERATOR/SPEAKER: Matthew Janicki, University of Illinois at Chicago  
MODERATOR/SPEAKER: Sidney Stahl, National Institute on Aging, NIH  
Xin Qi Dong, Rush University Medical Center  
Charles P. Mouton, Meharry Medical College |
| A1-08  | Woodrow Wilson B        | Public Policies, System-Level and Environmental Strategies to Address Obesity Prevention and Health | MODERATOR: Natasha Coulouris, Health Resources and Services Administration, DHHS  
MODERATOR: Susan Persky, National Human Genome Research Institute, NIH  
Alexandra Adams, University of Wisconsin  
Healthy Children, Strong Families: Results of a Randomized Trial of Obesity Prevention for Preschool American Indian Children and Their Families  
Lisa Guillermin Gable, Healthy Weight Commitment Foundation  
ENERGY Balance101: Excitement, Engagement and Impact  
Iris Joi Hudson, U.S. Centers for Disease Control and Prevention, DHHS  
Identifying Health Disparities in Obesity and Obesity Related Behaviors |

| A1-09  | Potomac Room 6        | Public Housing and Public Health Practice: Addressing Oral Health Disparities Where People Live | Keawe‘aimoku Kaholokula, University of Hawaii at Manoa  
The PILI ‘Ohana Project: Partnerships, Collaborations, and Intervention Dissemination to Address Obesity Disparities in Hawaii and the Pacific  
Zeniada Natividad  
The Guam Sustantia Project: Taking Childhood Obesity off the Menu |
MODERATOR/SPEAKER: Capt. William Bailey, U.S. Public Health Service, U.S. Centers for Disease Control and Prevention, DHHS  
Michelle Henshaw, Boston University  
Multimodal Approach to Caries Prevention in Public Housing by Oral Health Advocates  
Mark D. Macek, University of Maryland  
Health Literacy in Context: The Multi-Site Assessment of Health Literacy and Oral Health  
Susan K. Reisine, University of Connecticut  
Changing Oral Health Norms and Hygiene Practices among Vulnerable Older Adults Living in Publicly Funded Senior Housing |
MODERATOR: Fitzhugh Mullan, The George Washington University  
David Atkins, Veterans Health Administration  
Effective Health Services and Quality Initiatives within the VA System  
Garth Graham, University of Florida School of Medicine  
Impact of Payment Models and Delivery Systems in Reducing Health Disparities with a Focus on Pay for Performance  
Romana Hasnain-Wynia, Patient Centered Outcomes Research Institute  
Creating a Disparities Research Agenda: Reducing Disparities and Improving Health Outcomes  
Lisa Simpson, AcademyHealth  
Disparities Research 2.0: From Description to Intervention |

| A1-16  | Potomac Room 2   | Community-Based Approaches to Studying Health in Urban Slums in India: Methods, Findings, and Policy-Level Response | MODERATOR: Ligia Artiles, National Institute on Minority Health and Health Disparities, NIH  
MODERATOR: Joshua Rosenthal, Fogarty International Center, NIH  
Ramnath Subbaraman, Massachusetts General Hospital, Brigham and Women’s Hospital, Partners for Urban Knowledge, Action & Research  
Tejal Shitole, Partners for Urban Knowledge, Action, and Research  
Dana Thomson, Harvard School of Public Health  
Simple, Affordable, Scalable Mapping Methods for Global Health Disparities Research |
| A2-17  | Baltimore Room 2 | An Integrated Approach to Childhood Obesity Prevention                        | MODERATOR: Deirdra Chester, U.S. Department of Agriculture  
MODERATOR/SPEAKER: Dionne Toombs, U.S. Department of Agriculture  
Rose Velia Gomez-Camacho, University of California, Davis  
Niños Sanos, Familia Sana: An Intervention Study to Prevent Childhood Obesity in Mexican-Origin Children in Rural California  
Lucia L. Kaiser, University of California, Davis  
Niños Sanos, Familia Sana: An Intervention Study to Prevent Childhood Obesity in Mexican-Origin Children in Rural California  
Kendra K. Kattelman, South Dakota State University  
Rachel Novotny, University of Hawaii at Manoa  
Child Obesity Prevention among Remote Underserved Minority Populations of the Pacific Region |
| A2-18  | National Harbor 4/5 | Promoting a Diverse Training Research, Practice and Policy Health Workforce | MODERATOR: Jasjit Ahluwalia, University of Minnesota  
MODERATOR: Meaghan McHugh, Association of University Centers on Disabilities  
Estela Estape, University of Puerto Rico  
PRCTRC:  A Multi Institutional Collaborative Effort to Increase Diversity in Clinical and Translational Research through Multidisciplinary Training and Career Development (MTCD)  
Joan Y. Reede, Harvard Medical School  
The Nature and Importance of Co-authorship Networks in Advancing Faculty Diversity in Academic Medicine  
Nadra Tyus, Health Resources and Services Administration, DHHS  
Health Workforce Research: Diversity in the Health Professions |
Tawara Goode, Georgetown University  
Robert Like, Robert Wood Johnson Medical School  
Educating Health Care Professionals about CLAS: Experiences from the Field and Lessons Learned  
Guadalupe Pacheco, Office of Minority Health, DHHS  
The National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care |

Maria Ines de Silva Barbosa, Brazilian Ministry of Health  
Addressing Health Disparities in Brazil  
Zakiya Carr-Johnson, U.S. Department of State  
History and Overview of JAPER  
Julio Dicent Tailllepierre, U.S. Centers for Disease Control and Prevention, DHHS  
Addressing Health Disparities in the United States  
Tonija Hope Navas, U.S. Civil Society  
The Role of the Diaspora in Addressing Health Disparities |
| A2-21  | Potomac Room 1| Recruitment, Retention, and Data Collection among Diverse Population Groups in the National Children’s Study – Implications for Health Disparities Research | MODERATOR: Christina Park, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH  
Carl Hill, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH  
Carol Kasten, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH  
Maria Lopez-Class, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH  
Eric Lorenzo, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH  
Julia Slutsman, Eunice Kennedy Shriver National Institute of Child Health and Human Development, NIH |
| A2-22  | Baltimore Room 4| Data Collection Standards for Race, Ethnicity, Sex, Primary Language and Disability Status | MODERATOR: Virginia Cain, U.S. Centers for Disease Control and Prevention, DHHS  
Rashida Dorsey, Office of Minority Health, Office of the Assistant Secretary for Health, DHHS  
HHS Data Standards: Overview, Implementation, Enhancements for HHS Data Collections  
J. Nadine Gracia, Office of Minority Health, Office of the Assistant Secretary for Health, DHHS  
Implications of HHS Data Standards for Disparities Efforts  
Megan Thomas, Centers for Medicare and Medicaid Services, DHHS  
Implementing Section 4302(b) - Data Standards in Medicaid and CHIP |
| A3-23  | Baltimore Room 5| Public Health and Safety Partnerships to Address HIV Substance Abuse-Related Health Disparities in the Criminal Justice System | MODERATOR: Shoshana Kahana, National Institute on Drug Abuse, NIH  
Frederick L. Altice, Yale University  
Reducing Health Disparities by Treating HIV and Drug Use within Criminal Justice Settings  
Paul Samuels, Legal Action Center  
Making Communities Healthy and Safe: Policies to Address HIV and Drug Abuse Related Health Disparities in the Criminal Justice System  
Paula Smith, North Carolina Department of Public Safety  
Provision of HIV Services in North Carolina Prisons: Opportunities & Challenges  
Tisha Wiley, National Institute on Drug Abuse, NIH  
Criminal Justice Populations and Health Disparities: Where are the Treatment and Research Gaps? |
